

# ROBO WILD DINO & SNAKE WORKSHOP

C027181130

## Build, Code & Craft Prehistoric and Slithering Robots!

Dinosaurs spark curiosity, imagination, and love for prehistoric creatures. The perfect intro to robotics and mechanical movement.

Snakes represent adaptability and cleverness, a perfect match for coding and 2025's Zodiac Year!

Beyond building robots, kids will create meaningful holiday crafts and well wishes, blending tech with creativity and kindness.

### DAY 1 : 2HOURS

#### Craft

Wiggly Snake and Crocodile Grabber
